Medication Information

We understand that medications often change over the course of time and can sometimes change the day before a trip leaves. However, please answer the following questions to give us an idea of the attention to medications that the applicant will require. Exact medication information including meds, times and dosage must be presented to trip staff at the start of each trip.

Does the applicant generally take medications?

Yes

No

Is the applicant able to self-administer his/her own medications?

Yes

No

Some

How many different meds does the applicant generally take?	1-2	3-4
	5 or more	

How many times per day does the applicant generally receive meds?	1-2	3-4
	5 or more	

Does the applicant generally take medications that require the monitoring of blood pressure, blood sugar or other bodily functions?	Yes	No
---	-----	----

If yes, please describe what needs to be monitored:

Please list any known allergies:

Does the applicant have seizures?	Yes	No
-----------------------------------	-----	----

If yes, please list type and general frequency:

Does the applicant have hepatitis?	Yes	No
------------------------------------	-----	----

If yes, what type?

Is the applicant overly sensitive to the sun due to medication or other condition?	Yes	No
--	-----	----

Please comment on any physical limitations the applicant may have:

Please list any dietary restrictions:

At times during our trips, we allow our participants to have one alcoholic beverage with dinner. Is the applicant allowed to have an alcoholic beverage?	Yes	No
--	-----	----

Please comment on any additional medical information that we should know about

Behavioral Profile

Please describe the applicant's general behavior and social abilities:

Please describe the applicant's communication skills (if applicant is non-verbal, to what extent can s/he make her/his needs known?):

What are some of the difficulties that the applicant may encounter during the trip?

Please comment on the applicant's ability to stay with the group. (Does the applicant have a tendency to wander? Is the applicant easily distracted by other sights when moving within a group? Will the applicant walk away from a group on his/her own?)
